June 6, 2023

Dear Dott. Andrea Guarracino,

Thank you for kindly agreeing to participate in our congress. We are pleased to invite you to give a talk at the Joint Meeting AGI-SIMAG that will be held from September the 14th to September the 16th 2023, at the "Conferences Center S. Agostino, Via Guelfa, 40 -- Cortona (Arezzo, Italy) (cortonasviluppo.it).

Your presentation entitled "*Heterologous recombination in the human pangenome*" is scheduled for the 15th of September 2023 within the framework of the Minisymposium *New sequence technologies and pangenome analysis* chaired by Massimo Delledonne and Paola Venier.

The abstracts of oral presentations will be published on the websites of AGI <http://www.associazionegeneticaitaliana.it>, and SIMAG: <http://www.simag.it>. Please send your material by **September 1st** by e-mail to Prof. Fabio Coppede' at segreteria.simag@gmail.com following the attached template.

We will provide a room at the San Luca hotel for the time of your staying (<http://www.hotelsanlucacortona.com>). This is located 300 meters from the Congress venue. In this regard, kindly send to Prof. Mario Ventura at mario.ventura@uniba.it **your arrival and departure dates by July 31st** to better organize the rooms reservations.

The Organizing Committee has the pleasure of repaying your travel expenses (economy class if plane ticket). You are invited to independently purchase any airplane ticket and the organizing committee will refund you. Reimbursement of travel expenses will be paid at the end of the meeting, following presentation of receipts and bank details (IBAN e SWIFT codes).

Best regards

AGI President
Prof. Michele Morgante

SIMAG President
Prof. Giada Frenzilli
